6. (Unclassified - PLC) Called Hilda Schreiber, OMB, regarding a new version of the proposed CIA bill to amend CIARDS to limit cost-of-living adjustments which Jim Oliver, OMB, dropped off yesterday. She said this was basically for our information as the Civil Service version is being revised and they are revising the CIARDS proposal accordingly. Schreiber indicated that they will probably go for individual amendments for each retirement system rather than one overall bill.

7. (Confidential - GLC) This afternoon I accompanied [redacted] [redacted] OCI, to a meeting with Dorothy Fosdick and Richard Perle, Permanent Subcommittee on Investigations, Senate Government Operations Committee staff, for the purpose of briefing them on the situation in the Soviet Union. The staffers were particularly interested in the status of [redacted] and in the Soviet attitude and reaction to the recent developments concerning abrogation of the Trade Agreement. As Mr. Duckett, DDS&T, had done this morning, [redacted] also avoided some efforts on the part of Perle and Fosdick to draw him into a discussion of U. S. actions regarding the Trade Agreement legislation.
